THE STATE OF TEXAS }

AFFIDAVIT FOR ARREST WARRANT

COUNTY OF DALLAS }

BEFORE ME, the undersigned authority, on this day personally appeared the undersigned affiant who, after being duly sworn by me, on oath stated:

My name is Ofc Asebedo #138 and I am a peace officer of the City of Coppel, Dallas County, Texas.

I have good reason to believe that on or about the 18th day of March, 2015 one

Williamson, Rusty Lee w/m 10/31/1980

did then and there in the City of Coppel, Dallas County, Texas, commit the offense of :
Burglary of Motor Vehicle
a violation of Section PC 30.04(a), Texas Penal Code, a misdemeanor.

My belief is based upon the following facts and information: Ofc. Asebedo #138, Peace Officer of the Coppel Police Department, who participated in the investigation of the alleged offense, furnished to me, the Affiant, on March 18, 2015 the following information:

On March 18, 2015 at approximately 1315 hours, Officers were dispatched to 121 Deann Lane, Coppel, Dallas Co, Texas in reference to a burglary of motor vehicle in progress. Laura Warren stated to 911 dispatch that upon exiting her home and approaching her vehicle, she observed a white male inside the vehicle behind the driver's wheel. The vehicle, a 2009 blue Ford Escape 4 door, bearing TX LP# TPW515 was parked in the rear driveway of the residence. Warren stated that she believed the vehicle to have been locked.

Warren stated that she and Monte Warren, her husband and witness, approached on the passenger side of the vehicle, when the suspect, later identified as Williamson, Rusty Lee, exited the driver side of the vehicle and proceeded northbound, down the alleyway. Warren proceeded to call 911, providing details to dispatch and followed Williamson. Mr. Warren stated that he entered the vehicle to follow Williamson, when he observed a small, metal object protruding from the ignition switch. Mr. Warren stated that he attempted to remove the item, while Mrs. Warren followed Williamson. Warren stated that while following Williamson, he turned between two homes eastbound, off the alleyway and was again approaching Deann Lane. Warren described Williamson as a white male, wearing a dark jacket and dark pants, with short blonde/brown hair.

Warren yelled to a lawn service employee and witness, David Butterbaugh, who then proceeded to follow Williamson northbound, down Deann Lane through some homes toward Woodmoor Dr. Butterbaugh stated that Williamson was a white male, with short hair, wearing a dark jacket and pants. Butterbaugh was unsure where Williamson continued to travel, as he had stopped following him.

Initials JK Date 3-18-15

Officer Coltrain was headed into the area southbound from Parkway Blvd. Officer Coltrain was stopped by an unknown person, who advised him that Williamson was observed exiting his alleyway and "didn't belong in the neighborhood." Officer Coltrain proceeded eastbound in the 800 block Lockhaven Lane, where he observed Williamson, who matched Warren's description. Officer Coltrain made contact with Williamson, who stated that he was passing out flyers. Williamson then turned his back to Officer Coltrain and raised his hands. Officer Coltrain asked Williamson if he was giving him consent to search him, to which Williamson replied yes.

Officer Coltrain stated that he observed an umbrella protruding from his left rear pocket. Williamson was also wearing a pair of brown ladies sunglasses. Both items were found to belong to Warren, along with a cuticle kit and a pair of black ear plugs found in Williamson's pocket.

Sgt. Gonzales and Officer Asebedo drove the Warren's by for a positive identification on Williamson. Both parties stated that Williamson was the suspect inside the vehicle, behind the driver's wheel. Officer Coltrain removed other items from Williamson that were taken for safekeeping until owners could be located.

I believe this information furnished by a fellow Peace Officer is credible.

WHEREFORE, Affiant requests that an arrest warrant be issued for the above accused individual in accordance with law.

Officer Asebedo #138

Re: Stolen Property of Mark Walters, TDCJ #1296102

Warden Dean,

On Thursday April 10, 2014, I returned from the law library at 3:30 a.m., to discover my cellie, Rusty Williamson, in I-19 top, had been using his locker to burn tattoo ink, and the smoke and soot permeated into my locker, destroying 20 pages of legal documents that I typed up the previous day. Rather than get into a fight over this, I sought out Sgt. Morrison at lunch time. He wasn't around. At approximately 1:15 p.m., I went to a lay-in and stopped at the 7 building desk to speak with Morrison, who still wasn't around. I explained to Officer Slanger of the safety hazard with the open flame and the health hazard associated with a dropped or lost tattoo needle sticking me and possibly infecting me, and that I wanted Morrison to move my cellie. Slanger accused me of being a coward and afraid of getting my ass kicked.

I am not weak by any means, and by asking for staff assistance to resolve a dangerous problem in my cell, I should not have to face scrutiny or be deemed to have lack of courage. I approached staff in a way that is called for in policy.

I did not go to last chow, but told Williamson (cellie) to seek out Morrison to resolve the living situation. Williamson came back having not spoken with anyone. I told him to go find the Sgt. because I didn't want him coming back into the cell. Williamson made it clear that he would continue to burn tattoo ink. It was already 5 p.m., and the time to make moves was getting short.

30 minutes later, I got called to the desk and Morrison, chewing tobacco in violation of TDCJ policy, asked what the problem was. I explained about the open flame, the tattooing, and the destroyed property caused by the soot. Because I sent Williamson out to find the Sgt. to resolve the housing issue, I got locked up. My cell (I-19) was never secured until staff could retrieve my property, and Williamson stole over \$3,000 worth of property. When my property was brought to me, I was told that the lock was busted. The following property was stolen from me:

1 New Balance Shoes	\$49.00	1 Hot Pot	\$20.00
25 stamps	12.25	1 clock radio	22.00
2 commissary bags	5.00	1 multi outlet	8.00
3 T-shirts	18.00	1 reading lamp	10.00
5 pads writing paper	88.75	1 deodorant	2.15
3 coffee-black bag	7.80	1 baby shampoo	1.10
1 squeeze cheese	2.15	1 baby powder	1.00
1 pkg trail mix	14.25	1 coco butter lotion	.95
3 flour tortilla's	2.55	1 hydrocortisone cream	22.55

12 Ramen Soups	3.00	3 typewriter ribbons	7.75
4 dial soap	.80	2 ink pens	.58
1 nail clipper	.30	1 gym shorts	5.00
1 peanut butter	1.85	1 toothpaste	2.05
	<u>\$125.65</u>		<u>\$62.58</u>

\$125.65
 + 62.58
188.23

There is also missing a set of transcripts from my legal papers that were sitting on my back when I left that are missing. Cost, \$3,000.

Williamson has been indigent for over a year and a search of his property finding any of the above items constitutes theft. I have receipts for all of the above listed items. Attempts to get 11 building staff to contact someone to go to I-19 and search for my property has been placed on deaf ears. The more time that goes by in not investigating this will prevent me from retrieving my property. Over \$3,000 is missing and OIG should be consulted and I will press charges against Williamson.

I ask that you please expedately assign someone to investigate this matter.

Sincerely,

Mark Walters

Re: Rusty Williamson, TDCJ #1833079
Opposition to Mandatory Supervision

Dear Board Members:

This letter is an opposition to the release to mandatory supervision of Rusty Williamson, TDCJ #1833079. I have known Rusty for almost a year, and during that time I have witnessed his participation in organized crime, gang activity, theft, and flagrant violations of TDCJ policy. Rusty was assigned G4 custody only a few days after entering TDCJ due to his participation in a Riot and Assault on an inmate with injury.

The release of Rusty Williamson at this time would endanger the public, and not be in the best interest of the State of Texas, nor the community at large. It is the entrusted obligation of the Board to ensure that persons released from TDCJ to parole or mandatory supervision, that these persons have had sufficient opportunity to rehabilitate and correct the social misbehaviors that led to their incarceration in the first place. Rusty has had neither and that is demonstrated by his prison activity.

I sincerely hope that you will take great consideration in reviewing this matter and deny Rusty Williamson early release to mandatory supervision.

Sincerely,

Mark Walters

HOUSE CORRECTIONS COMMITTEE

APRIL 9, 2015

HB- 3303

- Rusty Williamson was my cell mate at the Hughes Unit in Gatesville
- On April 10, 2015, Williamson stole more than \$3,000 of property from me, including an expensive set of legal transcripts that I paid for
- Williamson is a member of the Arian Brotherhood gang
- I reported the theft to the unit warden, who never responded to my letters
- I reported the theft to the unit OIG officer, Armstrong, who never responded to my letters
- I notified the parole division on April 13, 2015, regarding Williamson's connection and affiliation with the AB's and of the theft
- Williamson was a G-4 medium custody inmate due to the fact that within his first three days in the system, he broke another inmates jaw
- My family contacted the TDCJ Ombudsman, who did nothing
- Williamson was released in May, 2014 to parole
- On March 19, 2015, Williamson was arrested in Dallas County for BURGLARY OF A VEHICLE, HARASSMENT BY A PERSON IN A CORRECTIONAL FACILITY, AND ASSAULT BY CONTACT

- I notified his Parole Officer in Dallas, Mr. Rice, of Williamson's arrest and his current detention in the Dallas County Jail
- Rice's response was that the PO office would eventually receive notification of the arrest
- Williamson was released on a PR Bond on April 2, 2015 with no intervention by the Parole Division
- On April 6, 2015, Williamson was re-arrested for HARASSMENT OF A PUBLIC SERVANT, RESISTING ARREST, and PUBLIC INTOXICATION
- The need to have an Independent Oversight Ombudsman is long overdue. The transgressions within the Dallas Parole Office alone for their failure to keep dangerous parolees off of the street who have demonstrated in a clear and convincing manner that they do not have to follow the terms of their release is more than reason enough.
- The need and consequences are too great to trust TDCJ or the Parole Division to monitor their own in the name of public safety.
